**Sub: New Political Map of Pakistan**

Dear Sirs,

You are aware that the Government of Pakistan has unveiled a new political map of Pakistan essentially asserting its long standing position on Kashmir and other disputed territories as part of Pakistan.

In view of the above, it is required that member publications using foreign news agencies like AFP, REUTERS, AP / APTN and PPA etc. should inform these agencies to follow the official map of Pakistan in their news stories creeded to their publications. Please also inform them that if they used any other map of Pakistan, the newspapers will not be liable for payment of subscription for that month in the national interest.

We hope the member publications will advise the agencies accordingly.

Thanking you,

Yours faithfully,

-s/d-
