The Advertisement Manager,

Dear Sir,

The Director, Sindh Institute of Urology and Transplantation (SIUT) has requested APNS member publications to support the Institute in their advertising campaign to collect Zakat and donations for the Institute.

The Sindh Institute of Urology & Transplantation (SIUT) is a reputed public sector health organization in Urology, Nephrology, Transplantation and Gastroenterology in South East Asian region and provides free comprehensive and modern medical facilities to all patients. Last year, SIUT spent over Rs.2 billion for providing free treatment to over 8 lac patients from all over Pakistan.

You would appreciate that such institutes required a support from civil society so that they may carry on their services to humanity. The SIUT has requested the member publications of APNS to carry the enclosed advertisements as a public service campaign. We enclose herewith the advertisements of SIUT and request you to kindly publish the advertisements in your issues in next week as gratis.

Thanking you,

Yours faithfully,
