Sub: Provision of Newspaper Copies to PID

Dear Sirs,

We have been informed by the PIO that the PID has decided to introduce live attendance of publications to ensure fair play in advertisements distribution.

It is therefore, decided that only those publications will be issued government advertisements which are regularly published. The publications are therefore, required to provide copies of their issues regularly to any of the PID office situated in their vicinity.

All member publications are requested to observe the above requirements of PID and ensure that the printed copies of their publications are provided to PID regular on basis as per the frequency of the publications, so that they may be issued government advertisements by PID.

Thanking you.

Yours faithfully,

-s/d-
